It is a good idea to read through the pattern before you start knitting, just like it is a good idea to knit a practice swatch and wet block it.

### Procedure:

The shirt is knitted in stockinette with ribbing edges and ribbing borders in the side of the sleeves and in raglan.

### Back/Front piece.

**1:** Cast on 256(280)312(336)368(392) sts on circular needles US 3/UK 11, knit 6 cm ribbing (knit 2, purl 2). Begin with 1 purl sts and finish with 1 purl sts (then the ribbing edges will match).

Applies to all sizes.

**2:** Put a marker in both sides. Now knit stockinette on back and front piece and knit 18 stitches ribbing edge in both sides, begin with 2 purl sts and end with 2 purl sts.

Applies to all sizes.

**3:** Continue like this until the entire work measures 44(45) 46(47)48(49) cm; fasten off the middle 4 stitches in the ribbing border on the sides loosely.

Applies to all sizes. Let the work rest.

### Sleeves.

**1:** Cast on 48(48)52(52)56(56) sts on double pointed needles US 3/UK 11 and knit 6 cm ribbing (knit 2, purl 2). Begin and end the round with 1 purl sts, so the ribbing border on the underside of the sleeve will match. Applies to all sizes.

**2:** Start with stockinette except the first and the last 9 sts of the row, which is knitted 2 knit sts 2 purl sts for the ribbing border. Applies to all sizes.

**3:** On the first row increase 6 sts evenly spread on the stockinette. Applies to all sizes. Then increase on every 6th row; the increases is made on both sides of the ribbing border until you have 106(106)110(110)114(114) sts. Knit until the entire sleeve measures 53(54)55(56)57(58) cm or the desired length.

**4:** Fasten off the middle 4 sts i the ribbing border loosely (2 sts in the end and beginning of the round). Applies to all sizes. Let the work rest.

**5:** Knit a matching sleeve.

### Seaming to raglan.

**1:** Start with 1 sleeve, the back, the other sleeve and the front. Continue in stockinette and ribbing borders in raglan; here there is only 14 sts against 18 sts in the sides and under the sleeves. Applies to all sizes.

**2:** On every other row decrease for raglan like so: knit the first 7 sts of the ribbing border, knit 2 together, knit until you have 2 sts left before the ribbing border, knit 2 together through back loops, knit 7 sts ribbing border; continue the same way on the back, the other sleeve and the front. The decreases are always done before and after the ribbing border. Applies to all sizes.

**3:** Continue like this until you have made 34(36)38 (40)42(44) raglan decreases.

**4:** On the front piece let the middle 22(28)34(40)46 (52) sts rest and knit back and forth. Be aware that the raglan decreases are on the right side.

**5:** Let another stitch on every row rest towards the neck side while you continue the raglan decreases until you have used all the sts of the front piece.

**6:** Now knit 5 cm neckband in ribbing (knit 2 purl 2). Applies to all sizes. On the first round the amount of sts is regulated in the piece with stockinette to 112(118)124(130)136(142) sts, be

aware that the ribbing borders in raglan continues in the neckband. Fasten off loosely.

**Seaming:**

- 1: Sew the hole in the armhole together.
- 2: Fold and sew the neckband towards the wrong side.
  
- 3: Weave in ends. Wet block the shirt.
